DDA Memo, 4 Apr 77

## 1. Aschersleben (D55), [REDACTED] 25X1C

- a. Artillery troops occupy Aschersleben, but no guns are in evidence.
- b. According to barracks charwomen, the troops recently arrived from Halle, and a courier link with that city is maintained.
- c. Vehicles in Aschersleben: [REDACTED] 25X1B

## 2. Magdeburg (Y60), [REDACTED] 25X1C

- a. Several additional buildings have been requisitioned for officers' quarters in the restricted area around the Encke Barracks. Most troops in these barracks belong to motorized rifle units. [REDACTED] 25X1B
- b. Local residents claim that most Encke Barracks' vehicles left Magdeburg on or about 15 October and are now in the woods north of Wolmirstadt.
- c. Barracks in Magdeburg-Friedrichstadt are filled with new, young troops. An unreported number of 76.2-mm AT guns were seen in the vehicle park. [REDACTED] 25X1B

## 3. Burg (Y81), [REDACTED] 25X1C

Barracks situated south of the Burg-Magdeburg rail line are occupied by troops wearing black tabs/red piping. An unreported number of 150-mm guns were seen in the yard. Tractors [REDACTED] 25X1B

## 4. Stendal (Y85), [REDACTED] 25X1C

- a. Osterburgerstrasse Barracks are occupied [REDACTED] with Vehicles: [REDACTED] 25X1B
- b. Salzwedelerstrasse Barracks are heavily occupied. Vehicles [REDACTED] were towing a 76.2-mm AT gun with muzzle brake. A signal unit in this compound is equipped [REDACTED] all carrying heavy long-distance trunk cables. [REDACTED] 25X1B
- c. The Husaren Barracks are occupied by troops wearing black tabs/red piping. [REDACTED]
